

PLANNING BOARD MEETING
January 22, 2020 at the Village Office at 6:00 PM

Planning Board members present: Gary Hart, Perry Barber, Robert Breyette, Bonnie Pelerin and James Petrashune, Trustee Tina LeDuc

Discussion was held on who would be the **Chairperson and Vice Chairperson**. On a motion made by Robert Breyette and seconded by Tr. James Petrashune the Chairperson is Bonnie Pelerin and the Vice Chairperson is James Petrashune, all were in favor, motion carried.

The purpose of the meeting was to review the **zoning law changes** that Glen Cutter had submitted to the planning board last year and nothing had been formalized. The Village Board had extended the **moratorium** until March 2020. The board members agreed that they will have to have the village board extend this as the law will not be completed by the end of March. There was questions if there is a use not on the chart is it permitted? The board will review the changes and set up another meeting to discuss. The board set the meeting for February 11, 2020 at 4:00 PM. The clerk is going to see if Mr. Cutter will be available to come that night to answer any questions.

Robert Breyette made the motion, seconded by Gary Hart to adjourn the meeting at 6:35 PM all were in favor, motion carried.

Respectfully submitted,

Donna D. Taylor
Clerk-Treasurer
